# THE CONSULTATION PROCESS

## HOW MUCH SHOULD I BUDGET?

Prices for florals can vary greatly depending on type of flowers, size of arrangements and intricacy of design. Here are just a couple of ways to keep the price down:

- Choose in-season flowers
- Think “dual purpose”. An archway swag can be re-purposed as a head table garland. Ceremony flowers can glam up the dessert table.
- Bring us your vases for table centerpieces! Mis-matched is fine as long as they’re fabulous! Or pick up vases on the cheap (we won’t tell!) such as bowl or cube vases. We don’t charge ya for the vase, then. ;)
- Buy bulk greenery and lay on tables yourself for an instant garland
